

Dear Member,

We've got our AGM coming up on Thursday 15th June.

You will see from the Accounts that we have just about kept our head above water. That's not bad at all considering that we have paid for 3 new courts! I hope you are enjoying using them and I feel that they help greatly in making the Geneva Squash Club THE place to play squash in the region.

Thanks to the work of your committee we have been reasonably successful in keeping afloat financially BUT where we are not so successful is in the BAR.

The problem here is that we haven't got the turnover to justify someone to run the bar. Volunteers from your committee have been doing it but they can't do it all the time and forever. We need Club Members to come forward to help. Even just once a month – or once a quarter – would solve the problem. In order to have a good ambiance in the Club we need to have the bar open and active but it doesn't make sense if it loses money; we can't afford that luxury.

So please, dear Member, get in touch with Duncan right away and put your name down to do an evening behind the bar. It's not difficult I can assure you: if I can do it anybody can!

I look forward to seeing you on 15th June at the AGM

Ben Holt
President.
